for more than two generations the traditional urban school system the district has utterly failed to do its job prepare its students for a lifetime of success millions and millions of boys and girls have suffered the grievous consequences the district is irreparably broken for the sake of today s and tomorrow s inner city kids it must be replaced the urban school system of the future argues that vastly better results can be realized through the creation of a new type of organization that properly manages a city s portfolio of schools using the revolutionary principles of chartering it will ensure that new schools are regularly created that great schools are expanded and replicated that persistently failing schools are closed and that families have access to an array of high quality options this new entity will focus exclusively on school performance meaning among other things our cities can thoughtfully integrate their traditional public charter public and private schools into a single high functioning k 12 system for decades the district has produced the most heartbreaking results for already at risk kids the urban school system of the future explains how we can finally turn the tide and create dynamic responsive high performing self improving urban school systems that fulfill the promise of public education

third grade bound prepares children for third grade by reviewing skills and then building up to what they will likely learn in the grade ahead this book includes language arts reading and math skills skills include vowel sounds parts of speech homonyms prefixes and suffixes multiplication division and fractions workbooks in the bound series are designed to prepare children for the grade ahead these comprehensive workbooks begin by reviewing skills that children have learned and gradually build up to skills that they will likely learn in the grade ahead this series addresses important language arts reading math and basic skills the content covers many skills addressed in current state standards as well as other age appropriate skills

give your students a leg up and improve learning outcomes with this revolutionary hands on approach to teaching in cultivating curiosity teaching and learning reimagined distinguished educator and author doreen gehry nelson inspires anyone yearning to break away from formulaic teaching told from dozens of powerful and personal perspectives the effectiveness and versatility of the doreen nelson method of design based learning described in the book is backed by years

of quantitative and qualitative data you'll learn how applying this cross curricular methodology can transform your K-12 teaching practice regardless of changes in content standards the book includes discussions about how to launch creative and critical thinking in your students explanations of the methodology's 6-1-2 steps of backward thinking™ that invigorate the teaching experience and dramatically improve learning the inception of the methodology and the experiences of K-12 teachers who practice it in their classrooms perfect for K-12 educators seeking a methodology that consistently engages students in applying what they learn cultivating curiosity is also an ideal resource for teachers in training administrators and post secondary educators

the first three full length books in the love in the city series in one set more than friends two friends one fake marriage a scandal that starts with a flying pizza box nomi hannon's city council campaign is off to a smashing start literally one unfortunate run in and one very photogenic best friend sprawled on top of her later she's the punchline of a viral meme her opponent says it's proof she's reckless scandalous and unfit for public office clearly there's only one solution fake a marriage with her best friend and pray the voters eat it up malone dumar isn't the marrying kind especially not after his ex stole his company and destroyed his trust but for nomi he'll play whatever role she needs husband supportive campaign arm candy fake love of her life it's just politics just pretending just one kiss to sell the story maybe two suddenly none of this feels fake any longer and their friendship might be one of the casualties if this plan goes south more than a t.v. husband she signed up for a fake wedding she didn't expect to say i do to the guy she accidentally crushed in high school lilith parker joins a matchmaking reality show for one reason only to save her struggling spa a fake marriage on national tv no big deal especially if it comes with free publicity and thirty days of smiling for the camera easy except her brand new husband turns out to be dane mcclarren a man with a new name a new face and a very real grudge dane's not here for love he's here to settle an old score with the girl who shattered his heart back in the day but lilith doesn't recognize him and worse she's nothing like he expected charming funny the kind of woman who makes him forget all about revenge they're supposed to be faking it for the cameras but somewhere between scripted dates and unscripted sparks things start to feel dangerously real the producers insist it's all just good drama but no one said anything about falling for the girl you were supposed to ruin more than her bodyguard she wants a fresh start she gets a fake fiancé and a stalker with boundary issues shiloh anderson's dream of opening a daycare hits a terrifying snag when the building manager turns from creepy to full on dangerous luckily her brother's best friend shows up just in time one protective arm around her waist one

impulsive we re engaged and suddenly kellan walker is doing a lot more than spotting gym clients now shiloh has the space she wants and a pretend bodyguard fiancé she definitely didn t kellan knows this deal is temporary two weeks tops long enough to keep shiloh safe and short enough to avoid confessing his feelings which shouldn t be hard she s sweet sunshiny and everything he s spent a decade pretending not to want but fake love has a way of turning real when she looks at him like that and trusts him with her heart what s the one thing more dangerous than a stalker falling for your best friend s little sister

there are more than 225 million rural to urban migrant workers and some 20 million migrant children in chinese cities because of policies related to the household registration hukou system migrant students are not allowed a public high school education in the cities so their urban education stops abruptly at the end of middle school this book investigates the post middle school education and labor market decisions of migrant students in beijing and shanghai and provides a glimpse into the future of a crucial link in china s development the stories of how these migrant students seek upward mobility and urban citizenship also reveal one of the most intricate structural inequalities in china today based on quantitative data collected from middle schools in beijing and shanghai and ethnographic data drawing on in depth interviews with migrant children their parents and teachers this book offers a portrait of the migration and educational experiences and prospects of second generation migrant youth in china today it explores the urban experience of migrant students contrasting it with that of local city youngsters examining the migrant students family backgrounds family dynamics neighborhood and school experience and interaction with locals it goes on to look at the migrant students education and career aspirations the structural obstacles preventing their fulfilment and how migrant families respond to institutional constraints on educational opportunity finally the book concludes with a discussion of policy implications and offers proposals for resolving the dilemmas of migrant youth this book will of great interest to students and scholars of chinese studies asian education migration and social development

the new york city department of education asked rand to conduct an independent longitudinal evaluation of its 5th grade promotion policy the findings of that study conducted between march 2006 and august 2009 provide a comprehensive view of the policy s implementation and its impact on student outcomes particularly for students at risk of retention and those who were retained in grade
