this book expands the field of prison research by drawing on six months of unique ethnographic research in santa monica prison the largest women s prison in lima peru using feminist and decolonial perspectives it explores power and the governance system and its implications on how the prison operates and the lived experiences of women prisoners and their interpersonal relationships it reflects on the intersection of prison imprisonment and gender from a global south perspective and includes methodological reflections on how to research prisons in the global south holistically it fills a gap and engages with debates on governmentality and women s agency within the penal context

derived from the renowned multi volume international encyclopaedia of laws this convenient resource provides systematic information on how spain deals with the role religion plays or can play in society the legal status of religious communities and institutions and the legal interaction among religion culture education and media after a general introduction describing the social and historical background the book goes on to explain the

legal framework in which religion is approached coverage proceeds from the principle of religious freedom through the rights and contractual obligations of religious communities international transnational and regional law effects and the legal parameters affecting the influence of religion in politics and public life also covered are legal positions on religion in such specific fields as church financing labour and employment and matrimonial and family law a clear and comprehensive overview of relevant legislation and legal doctrine make the book an invaluable reference source and very useful guide succinct and practical this book will prove to be of great value to practitioners in the myriad instances where a law related religious interest arises in spain academics and researchers will appreciate its value as a thorough but concise treatment of the legal aspects of diversity and multiculturalism in which religion plays such an important part

this book offers an in depth analysis of a fundamental human freedom and a cornerstone of democracy the freedom of religions or beliefs forb the book focuses on the legal protection and promotion of forb in europe because in this context exercising this right goes beyond a mere internal positioning in terms of legislation rather it is influenced by international and supranational case law as well as the promotional activities of selected non state subjects of international law the content is divided into three sections part i on the european convention of human rights part ii on the eu and part iii on other international actors the first two parts examine forb in its systematic aspects and day to day aspects in contrast the third part highlights the promotional activities carried out by the holy see the ilo the council of europe beyond the strasbourg court and the osce to promote recommend or otherwise support it overall the volume highlights how the exercise of forb can be ensured via international and supranational legal protection both normative and judicial and via promotional activities aimed at encouraging and helping states guarantee tolerance and pluralism in their national legislation the 16 main chapters offer a broad overview of the topic under investigation each contribution can be seen as a stand alone study and simultaneously as a link in a chain of legal analysis that connects multiple forb focused questions the book offers a valuable tool for all readers with an academic or professional interest in forb and those who have to address the issue of how to protect this freedom it is intended not only for academics who work in the field of law but also for legal practitioners judges lawyers diplomats human rights advocates members of religious and spiritual communities policymakers and students

this book includes all papers presented at the colloquium on church and state on 28 february and 12 march 2001 the colloquium focusing on the legal position of churches the autonomy of churches in modern societies and recent tendencies in jurisprudence was organised by the faculty of canon law of the catholic university leuven in collaboration with the faculty of theology of the university of stellenbosch both the conference and the book have two objectives the first is informing about the south african history on church and state relationships and its current situation under the new constitution the second objective is to search for models leading to a new equilibrium between church and state in south africa models offered by other countries are examined as a point of reference or as a possible source of inspiration international scholars and academics church ministers as well as leading politicians offer their viewpoints and enter into debate with each other

this book makes a valuable contribution to the fascinating global debate on the meaning and scope of freedom of religion or belief and the relations between state society and religion it offers a cross thematic approach to law and religion from the global south law and religion have been consolidated to form a specific area of study in recent years however due to language barriers most of the regional and national debates within latin america have not been accessible to interested audiences from other parts of the world despite the specificities of the latin american context the issues arrangements and processes that have been negotiated and developed in this part of the global south make a valuable contribution to addressing the challenges that have arisen in other regions the book analyses the intersections and interactions between religion and other far reaching subjects such as politics and democracy traditional cultures national and ethnic groups majorities and minorities public education management of diversity intolerance and violence as well as secularism and equality the collection of essays is of interest not only to legal scholars and practitioners but also to sociologists political scientists and theologians as well as to policymakers and civil society organizations

modernity of religiosities and beliefs a new path in latin america from the nineteenth to twenty first century synthesizes new research on various phenomena related to religions and beliefs in latin america the contributors provide comprehensive analytical interpretations of latin american spheres of religious ideas and worldviews and show that they are a key element to understanding the history of the region overall this book

gives an account of the whole spectrum of religious phenomena in latin american societies providing a global interpretation that will contribute to the study of political economic and cultural modernities in latin america
