get accurate information about scottish clans family associations and societies in this updated edition of scottish clans and their associated families robert j heston expands on his groundbreaking work to focus on the standing council of scottish chiefs scsc list of 353 clans in addition the author has retained the details of thirty three scottish families who are active in the united states and not cited in the scsc list when using this book it is important to note that most scottish clan and family organizations have clauses in their family lists stating that variations in spelling of these names are accepted therefore this book provides the researcher the ability to look beyond an exact spelling of a name other books on this subject focus on a small number of clans ancient names and the preferred spellings of these small number of families some associate an individual name to a tartan

which can be problematic with more than 12 000 names with the sources where these names were found this work is the best source focused on identifying family surnames associated with scottish clans houses and families

ireland was one of the earliest countries to evolve a system of hereditary surnames more than 4 000 gaelic norman and anglo irish surnames are listed in this book giving a wealth of information on the background and location of irish families edward maclysaght was a leading authority on irish names and family history he served as chief herald and genealogical officer of the irish office of arms he was also keeper of manuscripts of the national library of ireland and was chairman of the manuscripts commission this book which was first published in 1957 and now is in its sixth edition is being reprinted for the fourth time and remains the definitive record of irish surnames their genealogy and their origins

part 1 includes europe part 2 includes outside of europe

each vol includes verslag and lijst der leden der nederlandse entomologische verenning separately paged beginning with v 15
