the story of modern art is firmly established as an outstanding introduction to the subject
writing in a clear and direct style norbert lynton aims at helping the reader to form a

relaxed and confident relationship with modern art he explores the challenges and dilemmas that faced artists at the turn of the nineteenth century and shows that subsequent developments have been serious and intelligent efforts to create art that is both honest and significant

how did art reform fit into the many initiatives for social and cultural change that contributed to the new cultural movement that transformed the chinese cultural landscape during the republican period modern art for a modern china was the rallying cry of chinese intellectuals many of whom were artists critics writers poets and educators wang describes how these groups discussed and implanted changes in china s conception and practice of art she demonstrates how art reforms fit into the many initiatives for social and cultural change that contributed to the new cultural movement that transformed the chinese cultural landscape during the republican period in doing so she analyses two key areas in the intellectual history of republican china china s art reform in the early decades of the twentieth century and the connection and intersection between colonialism nationalism and cosmopolitanism including their direct impact on the development of art and art practice in china modern art for a modern china is an invaluable resource for scholars and students of china s twentieth century intellectual history and art history

this book tells the story of germany s rich flourishing and diversified world of art in the last decades of the nineteenth century a world that has until recently been eclipsed by the events of the twentieth century basing her narrative on a close reading of contemporary periodicals and lavishly complementing it with cartoons and other illustrations from these publications beth irwin lewis provides the first systematic comprehensive study of that german art world she focuses on how critics and the public responded to new forms of painting that emerged in the 1880s when the explosive growth of art exhibitions supported by local governments across a recently united germany was accompanied by skyrocketing attendance of a new mass public describing the rapid critical acceptance and dominance of the new modern art in the 1890s lewis analyzes these developments within a complex interweaving of social cultural and economic factors although critics had hoped for a unified new art for the new nation the success of modern art fragmented the art world as modern artists and their supporters turned away from the often unreceptive mass public of

the great exhibitions lewis s approach through the popular journals reveals the public s growing alienation from modern artists and an increasing contempt for the public on the part of these artists and their supporters all of which prefigured tensions in the contemporary art world her wide ranging text examines not only the various ways art was promoted to and received by the public but also anti semitism the role of women artists and changes in style of both art and criticism well documented engagingly written and vividly illustrated this book will interest not only scholars and students but all readers interested in german cultural history and art history
