a systematic introduction to interpretation as a technical therapeutic skill

in 1980 the united nations convention for the international sale of goods cisc came into being as an attempt to create a uniform commercial sales law this book first published in 2007 compares two major restatements the unidroit principles and the principles of european contract law pecl with cisc articles this work has gathered scholars and legal practitioners from twenty countries who contribute analysis on the various issues covered in the articles of the cisc comparing them with how the issue is treated in the unidroit and pecl restatements the introductory section of the book addresses theoretical and practical issues of the appropriate interpretive methodology as mandated in cisc article 7 and it is followed by individual analyses of the convention s provisions

ian kidd of the university of st andrews scotland has long been known as a world class scholar of ancient philosophy and of posidonius in particular through his long struggle with the fragments of posidonius kidd has done more than any other scholar of ancient philosophy to dispel the myth of pan posidonianism he has presented a clearer picture of the posidonius to whom we may have access the passionate intellect is both a festschrift offered to professor kidd and an important collection of essays on the transformation of classical traditions the bulk of this volume is built around the theme of kidd s own inaugural lecture at st andrews the passionate intellect many of the contributions follow

this theme through by examining how individual people and texts influenced the direction of various traditions the chapters cover the whole of the classical and late antique periods including the main genres of classical literature and history and the gradual emergence of christian literature and themes in late antiquity many of the papers naturally concentrate on ancient philosophy and its legacy others deal with ancient literary theory history poetry and drama most of the papers deal with their subjects at some length and are significant contributions in their own right the contributors to this collection include key figures hi contemporary classical scholarship including c carey london c j classen gottingen j dillon dublin k j dover st andrews w w fortенbaugh rutgers h m hine st andrews j mansfeld utrecht r janko and r sharpies london and j s richardson edinburgh this book will be invaluable to philosophers classicists and cultural historians

this volume brings the research spaces of intertextuality and empire criticism in new testament studies into conversation using postcolonial intertextuality to argue that romans presents a double voiced political theology of peace
