this book formulates a new pedagogy of death with regard to northeast india and shows how this pedagogy offers an understanding of alternative knowledge systems and epistemes in

documenting a range of customs and practices pertaining to death dying and the afterlife among the diverse ethnic communities of northeast india the book offers new soteriological epistemological sociological and phenomenological perspectives on death through an examination of these eschatological practices and their anthropological theological and cultural moorings the book aims to reach an understanding of notions of indigeneity with regard to northeast india the contributors to this book draw upon a range of subjects from songs literary texts monuments relics and funerary objects to biographies to folktales to stories of spirit possessions and supernatural encounters it collates the research of scholars primarily from northeast india but also from eastern india and offers an interdisciplinary analysis of these various belief systems and practices this book will of interest to those researchers and scholars interested in south asia in general and northeast india in particular and also to those interested in the social anthropology of religion cultural studies indigenous studies folklore studies and himalayan studies

in the proofs of christ s resurrection from a lawyer s standpoint charles r morrison employs a meticulous legal framework to dissect the evidence surrounding the resurrection of jesus christ merging theological discourse with rigorous logical reasoning morrison articulates the historical and testimonial claims regarding the resurrection scrutinizing them much like a case presented in a courtroom his analytical style blends a clear argumentation with eloquent prose reflecting a commitment to both faith and rational inquiry a feature not unusual in legal literature but rare in religious apologetics the book is set against the backdrop of early 20th century debates about faith and reason positioning itself within a significant discourse on the reconciliation of empirical and experiential evidence in matters of belief charles r morrison a jurist with a profound interest in religious studies draws on his legal expertise to challenge skeptics and bolster believers faith in the resurrection narrative his background not only enables him to dissect complex arguments effectively but also imbues the text with a profound understanding of how legal principles can illuminate spiritual truths morrison s scholarly inquiry not only reflects his intellectual pursuits but also his personal convictions as he seeks to reaffirm the implications of christ s resurrection on moral and spiritual grounds this book is a vital read for those intrigued by the intersection of faith and reason or for anyone seeking a deeper understanding of christian apologetics morrison s unique approach invites readers to engage with the evidence critically providing a compelling resource for theologians lawyers and lay readers alike whether you are a skeptic or a believer morrison s rigorous analysis will inspire thoughtful contemplation on one of christianity s core tenets

harness the psychospiritual healing potential of prayer meditation breathing and more this thoughtful anthology illuminates ancient ways of psychospiritual healing research has shown the healing potential of prayer meditation controlled breathing and other timeless spiritual disciplines this extraordinary book brings together experts who explore these concepts from the perspectives of christianity buddhism sufism the goddess tradition judaism native american spirituality taoism and hinduism yoga in modern psychology and ancient wisdom psychological healing practices from the world s religious traditions you ll discover ancient techniques used by teachers guides and practitioners through the ages to facilitate psychological healing each chapter of this unique book presents a unique and distinctive view of psychospiritual practice and demonstrates its healing applications with it you will explore the buddhist concept of brilliant sanity and how to help clients reconnect to it through several specific practices ways of accessing the healing power of christ as employed by various denominations a remarkable collection of metaphors in the goddess tradition to help in the healing process for battered and abused women kabbalistic jewish mystical paths to healing native american healing rituals and tales sufi stories poetry and practices dance sound breathing turning walking meditation and remembrance that encourage the healing process health and healing resources from the taoist tradition including wu wei effortless effort acupuncture diet and nutrition and meditation hindu yoga techniques that employ physical postures mantric sound and breath control and much more modern psychology and ancient wisdom is a book that offers important help to the layperson psychologist pastoral caregiver and professor it will help religious leaders understand more about the practices of other faiths it is in harmony with the movement of our post modern world toward multicultural perspectives offering a large varied and meaningful view of the world

in this book i share with you a little about myself how i grew up and my meager beginning while being raised by my grandparents back in cincinnati ohio the lack of financial management training i received while growing up and my unawareness to my condition of lower class living i give you some insight into some of my struggles with racism while in the military and the effects it had on me navigating the military s system of advancement how some military personnel believed that race was a determining factor in a person s capacity to do certain jobs and consequently shouldn t have equal access to promotions and opportunities i share multiple scriptures with you as proof positive that god the creator of heaven and earth the king of kings and the lord of lords is our source and it is he who gives us the believers the power to gain wealth the parable of the talent in the book of matthew and the parable of the minas in the book of luke are solid evidence that god expects us to be good servants of the money he blesses us with and i also share with you my six step financial

management system that will help any believer who follows it to become financially secure and a good servant of the money god has and will bless you with the six step financial management system is sequential meaning you start with the first step and you don't progress to the second step until the first step is complete doing so will ensure you have built a financial foundation that will not be shaken or destroyed by the tests trials and tribulations we all experience in this world it ends with answering three questions about retirement when do you start preparing for retirement how much money will you need for retirement and what does your retirement look like this is the first book and it will serve as a financial foundation to those who absorb its contents to you that have ears to hear if you read and believe you will achieve your financial goals it is the will of god 2

among the contemporary political issues that cry out for theoretical articulation seery suggests are abortion politics ethnic cleansing suicide assistance national reparations environmental degradation and capital punishment
