with the entry of the united kingdom into the european economic community on 1 january 1973 the opportunity presented itself for a study of open end investment funds in the enlarged community the resulting book which in a way is a natural sequel to the study investment and unit trusts in britain and america elek london 1968 in which dr corner collaborated with mr h burton has been a long time in preparation simply because of the sheer volume of statistical material in particular consistent sets of reports and accounts of all the eec and swiss investment funds which has had to be collected as a result some of the analysis is based on what will inevitably be somewhat dated material at the time of publication unfortunately this is a handicap suffered by all such statistical work unless one has large financial and manpower resources we have done our best to update certain key statistics wherever this has been possible

the purpose of this study is to identify and assess how closer economic integration between canada and the united states as manifested in the free trade agreement fta and the north american free trade agreement nafta may have affected bilateral migration flows between the two countries the 2nd section provides a brief theoretical overview of the linkages between trade liberalisation and labour markets that in turn imply linkages with incentives to migrate section 3 discusses recent legislative changes affecting the incentives and abilities of canadians to migrate to the united states and briefly considers the associated welfare implications for canada section 4 presents and evaluates data on bilateral migration patterns especially temporary migration under the nafta section 5 briefly addresses the policy implications of temporary migration under the nafta

the congressional record is the official record of the proceedings and debates of the united states congress it is published daily when congress is in session the congressional record began publication in 1873 debates for sessions prior to 1873 are recorded in the debates and proceedings in the congress of the united states 1789 1824 the register of debates in congress 1824 1837 and the

congressional globe 1833 1873

this paper explores the effect of trade on the relative wage of less skilled labor through its effect on world prices which are typically exogenously given under the small open economy assumption using the 1995 international input output data for apec member countries we numerically simulate a general equilibrium model to study the effects of abolishing existing tariffs under the assumption that each member country is large enough to affect the prices of goods and services produced in the region we find that the responsiveness of prices plays an important role in easing a possible adverse effect of trade on relative wages

this text emphasizes how changing life situations impact an ever evolving personal financial plan each chapter contains two or three types of boxes discussing issues not covered in text material while revised critical thinking passages precede every section of each chapter

from adjusted gross income to zoning and property taxes the encyclopedia of taxation and tax policy cd rom edition offers the first complete guide to taxes and tax related issues more than 150 tax practitioners and administrators policy makers and academics contributed the result is a unique and authoritative reference that examines virtually all tax instruments used by governments individual income corporate income sales and value added property estate and gift franchise poll and many variants of these taxes as well as characteristics of a good tax system budgetary issues and many current federal state local and international tax policy issues each essay provides the generalists with a quick and reliable introduction to many topics but also gives tax specialists the benefit of the best thinking of other experts in a manner that makes the complex understandable reference lists point the reader to additional sources of information for each topic the cd rom edition is searchable by topic author and keyword published in cooperation with the national tax association
