one of the irish times books of the year 2008 rebellion partition and a messy peace settlement ensured that ireland was a constant thorn in britain s side after 1916 britain was confronted by the bombs and bullets of militant republicans the clandestine intrigues of foreign powers and the strategic dangers of ireland s wartime neutrality a final irrevocable step in the country s difficult transition to independence using newly opened archives this book reveals for the first time how the british intelligence system responded to these

threats it lifts the lid on the underground activities of Britain's secret agencies MI5 MI6 SIS and the special branch it puts secret intelligence in the context of the government's other sources of information and explores how deep rooted cultural stereotypes distorted intelligence and shaped perceptions and it shows how for decades British intelligence struggled to cope with Ireland but then rose to the challenge after 1940 largely because the Dublin government began to share its secrets the author casts light on characters long kept in the shadows IRA gunrunners Bolshevik agitators Nazi agents Irish loyalists who acted as British spies his compelling book fills a gap in the history of the British intelligence community and helps explain the twists and turns of Anglo Irish relations during a time of momentous change Paul McMahon gained his PhD from Cambridge University

The first half of this volume describes the links between the earliest Irish rebellions orchestrated by Celtic nobles and more political attempts at emancipation during the 18th and 19th centuries the second half of the book includes details of the Easter Rising and the Civil War the fight for workers rights and the war in Northern Ireland personalities featured include Donal O'Sullivan Beare Grace O'Malley Silken Thomas Robert Emmett Michael Collins Gerry Adams and Bobby Sands

Seminar paper from the year 2007 in the subject English Language and Literature Studies Culture and Applied Geography Grade 1.3 Martin Luther University Language English Abstract The Easter Rising of National Irish Rebels is still nowadays regarded as one of the most crucial events throughout Irish history one may consider it as an botched attempt to gain sovereignty and disparage it to be an uprising that was senseless and doomed to failure in advance others view it as a symbol of Irish martyrdom and as an insurgence that was anything but useless advocates claim that the Easter Rising was necessary to exercise pressure onto the British usurpators they state that a military uprising like this even if there was less prospect of success showed Westminster that there could not be any long term peace in Ireland without dealing with the question of home rule opponents argue that Irish rebels caused the loss of lives of innocent people by fighting a war that was at this time not backed up by the common Irish people and that in the end they themselves are to be blamed for the casualties and devastation the fights demanded supporters reply that the insurrection was the first step to a free state of Ireland that it stirred nationalism in the minds of the Catholics of the island and that it was a milestone on the way to the Republic whatever scholars think of it it is a matter of fact that this event is one of the most commemorated incidents in Ireland countless erected monuments and installed plates at places all over the island reminisce of the losses and sacrifices of the 1916 rebels they are called patriots who fought outnumbered and starved for a holy aim and who had to submit to ruthless soldiers sent by an illicit and tyrannous foreign government therefore the uprising prevails in the mind of the Irish people bolstered up by songs poems or parades and days of commemoration this paper shall examine the circumstances right before the outbreak of the rising its preparation and the course of events within it furthermore it intends to show in what way the British restored their power and how they responded to the open violence the paper is supposed to try to display what aftermaths the Easter Rising actually had and if there was any sense in this adventure that was apparently doomed to failure in advance another point is concerned with the reflection of the rebellion if it is blamed to be another example of useless hatred conducted by only few men of weird mind or if it is viewed as a necessary act of freedom by heroes who sacrificed

themselves on the altar of a free ireland

an irish rebel in new spain recounts the story of the so called irish zorro who in 1659 was burned at the stake for conspiring against the empire to make himself king of mexico restore the privileges of the indigenous people end the persecution of the jews and free the african slaves william lampport was an irish rebel a soldier a poet and a thinker his catholic family lost their land and their religious freedom after the english conquest of ireland in 1640 lampport emigrated to new spain where he witnessed the abuses of the colonial system and later ran afoul of the mexican inquisition imprisoned in 1642 lampport argued his own defense as well as that of the jews who were in prison with him along with a concise biography this volume provides an anthology of lampport s most representative writings his detailed project for a spanish supported irish insurrection a manifesto and plan for a mexican uprising against spain his self defense which he nailed to the doors of the cathedral when he managed to momentarily escape from prison a selection of his poetry and the court documents about the accusation that led him to the pyre this concise compelling and original reflection on the systems of justice in seventeenth century mexico is designed for classes on early modern spain colonial latin america and the inquisition those with an affinity for irish history will also enjoy learning about the colorful life of william lampport

this lavishly illustrated book presents an informed history of the easter rising one of the most significant political episodes in 20th century irish history

before easter 1916 dublin had been a city much like any other british city comparable to bristol or liverpool and part of a complex deep rooted british world many of dublin s inhabitants wanted to weaken or terminate london s rule but there remained a vast and conflicting range of visions of that future far more immediate was the unfolding disaster of the first world war that had put home rule issues on ice for the duration the devastating events of that easter changed everything both the rising itself and even more significantly the ferocious british response ended any sense at all that dublin could be anything other than the capital of an independent country as an entire nation turned away in revulsion from the british artillery and executions as we approach the 90th anniversary of the rebellion it is time for a new account of what really happened over those fateful few days what did the rebels actually hope to achieve what did the british think they were doing and how were the events really interpreted by ordinary people across ireland vivid authoritative and gripping easter 1916 is a major work

quarter bound in leather with marbled boards handwritten note ot say that the author of this work is fitzpatrick a well known dublin publisher signed by p o brian no title page

collects together for the first time plays written by the well known irish nationalists patrick pearse thomas macdonagh james connolly and terence macswiney in the months before 1916 macdonagh staged when the dawn is come and pearse staged the master both works

were designed to persuade the dublin populace to support the advanced nationalist cause at the same time macswiney staged his play the revolutionist in order to win the support of redmondite nationalists in cork at liberty hall only three weeks before taking part in the armed revolt of 1916 connolly staged under which flag to persuade socialists to join the rebellion the plays offer important insights into the rebels political and military thinking the introduction explains exactly how the plays influenced the irish revolution between 1916 and 1921 and explores the theatrical influences that affected the rebels the context of the plays original staging and subsequent influence both inside and outside the playhouse is also covered the epilogue outlines the varying afterlives that the plays enjoyed once their authors were dead

the stirring story of eighteen of ireland s greatest rebels from the sixteenth century to today from the daring pirate queen grace o malley to the fiery protestant lawyer theobald wolfe tone and the courageous priest patriot fr john murphy ireland s rebels have come from diverse backgrounds but they all had one thing in common they weren t afraid to take on a powerful establishment and claim their right to self determination the first half of this lively history shows us the links between the earliest rebellions orchestrated by celtic nobles such as dónal o sullivan beare and the more political attempts at emancipation o f the eighteenth and nineteenth centuries dominated by the liberator himself daniel o connell the second half includes the seminal period of the easter rising and the civil war the fight for workers right led by james larkin and the war in northern ireland the personalities featured are donal o sullivan beare grace o malley eoin roe o neill silken thomas theobald wolfe tone fr john murphy daniel o connell john mitchell william smith o brien robert emmet terence macswiney james larkin countess markievicz james connolly patrick pearse michael collins gerry adams boby sands

this classic collection is a discussion of songs that gave utterance to the opinions and feelings of an important part of the irish people in political social and religious feelings first published in 1966 this is a new edition with corrections and additional notes the songs which were within the reach of all strands of society were not only an expression of the singers and listeners feelings or opinions but also a form of propaganda and when printers invested in them with the production of broadsheets and booklets they became an industry thus as the author states in his introduction they are a curious melting pot for different kinds of literature or sub literature

the english invasions of ireland were never accepted each generation of irish rebels resisted and in doing so faced certain death they became martyrs and left behind speeches and watchwords to spark the flames of nationalism and idealism using eyewitness accounts speeches and illustrative material helen litton describes these most important irish rebellions from the united irishmen of 1798 to the ira of the war of independence the irish rebellions through the years of irish history beginning with the 1798 rebellion told through illustration and word these engaging illustrations will bring to life some of the most pivotal events in irish history this illustrated history book will examine the rebellions of ireland with a focus on the principal figures involved rebellions begun by irish people who were not afraid to take on a powerful establishment and claim their right to self determination this book covers six major rebellions in irish history the rebellion of 1798 the rebellion of 1803 the rebellion of 1848 the fenian campaigns easter rising 1916 the war of independence
