millennial generation generation y the underdeveloped generation the lazy kids the tweeters the ones always on their smart phones the ones who feel entitled it is no secret that millennials young adults born between 1980 and 2000 are stereotyped some think we re lazy some think we are so engrossed in technology that we don t have the drive to be successful don t forget to tweet that and some believe that we are the most optimistic generation around whether positive or negative this book has been designed to help tear down those stereotypes and help focus on what truly matters who we are as young adults and who we can become it only takes one person one soul and one stand to change nations and that one person is you this book will unveil what it takes to be a leader of this generation by uncovering the innate possibilities within ourselves my mission is to bridge the gap between the millennial generation and the generation before us by teaching instruments of communication are

you a person who desires to step out in courage and follow your passion so that your dreams can become a reality if your answer is yes then it's time for a millennial makeover

a study of the origins of love probes the human brain for insights into the origins of the sex drive romance and attraction while offering advice on how to channel these desires into healthy pursuits

this is the perfect time to go back to the basics unlearn outdated thinking and relearn new norms especially we need to sharpen our ability to see things from new perspectives this book will do that we're not looking from another perspective anymore we're looking back on how we think about thinking how we view and learn things rethinking about thinking

in this entertaining and accessible exploration of love oxford anthropologist dr anna machin dives into the science behind the myriad types of love that exist in the world including romantic love parental love friendships love for pets football teams religious love and even love for our smartphones through original research brought to life by interviews and case studies and encompassing such fascinating areas as polyamorous relationships parasocial love for a celebrity and sacred loves this book argues that it is time to stop putting romantic love on a pedestal by exploring the science that illuminates the benefits of all our different close relationships dr anna machin encourages us to reconsider the importance of love in our own lives to interrogate our own experiences and to reconnect with the heart of what it really means to be human

everyone knows about noah moes and paul but what about hagar michal and priscilla all women who had a direct influence in the story of god's people the bible is full of fascinating powerful and faithful women as well as lessons that have unique meaning for women today in the women's study bible respected bible scholars draw out these often overlooked stories and reveal the lives of women at the time and share lessons for women of today separate sidebars cover topics such as midwifery women disciples and female images of god the women's study bible doesn't shy away from the difficult issues but helps readers to understand them better in both their original context and the modern world the new living translation of the bible uses inclusive language for humanity and where it is clear that both male and female are meant to be included book jacket

this book was written to bring words of encouragement to the reader and to let them know that they are not

alone when it comes to god he loves us all and you are never alone when you call upon the savior these poems are truly gifts from god i asked god what he wanted me to do and he told me to give these poems to everyone to the world from the first poem to the last these poems tell you about the love and beauty all around us in a world that can be a little chaotic grab a moment of peace beauty inspiration and above all else love these are my gifts to you
