in line with its strong position in clinical research belgium is one of the first european member states where the implementing regulation of the clinical trials directive is fully operational the specific conditions provided for in the new law concerning experiments on the human person may 7 2004 reinforce belgium as a very attractive host for clinical trials ensuring a lasting environment for innovative research pharma be the belgian pharmaceutical industry association wants to contribute its part to research in belgium by clarifying the practical implications of the new regulations at its request dr iur caroline trouet wrote an operational guidance which analyses the new belgian law from the perspective of the sponsor of a clinical trial but addresses the roles and tasks of all parties involved in clinical trials in order to assist everyone involved in clinical trials in the practical implementation of the new law the guidance provides for a short and comprehensive overview and insight into the process flows of the submission to and evaluation by the competent authority and the ethics committee of a clinical trials application in addition standard templates for the most important documents are added the text is useful both for study sponsors and for all other actors in the field of medical research and development such as members of ethics committees physicians pharmacists administrators etc by those who have had access to the manuscript it is already qualified as the standard textbook on the new eu legal framework and its transposition into belgian law

when the united nations undertook the publication of the reports of international arbitral awards the pasicrisie internationale was identified as one of the rare truly general collections of international case law in existence in fact in deciding to publish the arbitration clauses and arbitral awards from 1794 to 1900 henri la fontaine was doing pioneering work foreshadowing the famous reports by half a century as we near the end of the century the pasicrisie internationale remains just as pertinent as it was when first published in 1902 this collection of arbitral awards with its modest appearance has certainly contributed more to the development of international arbitration case law than any number of lyrical speeches advocating peace through law first edition printed in 1902 by stämpfli bern lorsque l organisation des nations unies entreprit la publication de son recueil des sentences

arbitrales elle identifia la pasicrisie internationale comme constituant l une des rares véritables collections générales de jurisprudence internationale préexistantes de fait en décidant de rassembler les clauses compromissoires et les sentences arbitrales de 1794 à1900 henri la fontaine avait fait oeuvre de pionnier et il préfigurait avec un demi siècle d avance le célèbre recueil en cette fin de siècle la pasicrisie internationale constitue donc un outil de travail toujours aussi actuel que lors de sa publication en 1902 cette compilation de sentences arbitrales d apparence modeste a certainement plus contribué au développement de la jurisprudence arbitrale internationale que bien des discours lyriques prônant la paix par le droit première édition imprimée en 1902 par stämpfli berne
