arguments are clearly presented and rival theories are presented with fairness and accuracy  
book jacket

few philosophers attempt to establish that there is an evaluative and moral realm they make these major assumptions without argument this plays into the hands of moral nihilists and certain other moral skeptics a major obstacle that prevents philosophers from developing such arguments is the long standing view that one cannot derive an ought from an is that is one cannot begin with purely descriptive non evaluative propositions and deduce an evaluative or moral proposition in this book edmund wall develops arguments for evaluative and moral principles his deductive reasoning begins with certain purely descriptive and non evaluative propositions concerning human nature establishing a basic moral principle of human life and a basic moral principle of knowledge by providing such deductive arguments for basic moral principles wall makes considerable progress in establishing a sure foundation for morality he further develops his case by responding to a plethora of anticipated objections against his two arguments and by delineating the advantages of his own moral approach over a number of influential moral theories and competing accounts of moral reasoning

this report develops and calibrates procedures and modifies the aashto lrfd bridge design specifications section 10 foundations for the strength limit state design of shallow foundations the material in this report will be of immediate interest to bridge engineers and geotechnical engineers involved in the design of shallow foundations

this book presents and survey of the foundations of mathematics the emphasis is on a mathematical comparison of systems rather than on any exhaustive development of analysis within a single system nevertheless for most systems considered enough details are given for the development of arithmetic and the method of constructing the other notions of analysis is indicated the elements of the general theory of cardinal and ordinal numbers are also furnished in the course of this work
