practice teaching surveys issues and procedures in conducting practice teaching written for language teachers in training at the diploma undergraduate or

graduate level practice teaching a reflective approach surveys issues and procedures in conducting practice teaching the book adopts a reflective approach to practice teaching and shows student teachers how to explore and reflect on the nature of language teaching and their own approaches to teaching through their experience of practice teaching

is great teaching a gift that only a few of us are born with or is it a skill that can be learned in never work harder than your students robyn jackson makes a radical assertion any teacher can become a master teacher by developing a master teacher mindset the master teacher mindset can be achieved by rigorously applying seven principles to your teaching until they become your automatic response to students in the classroom the more you practice these seven principles the more you begin to think like a master teacher 1 start where your students are 2 know where your students are going 3 expect to get your students to their goal 4 support your students along the way 5 use feedback to help you and your students get better 6 focus on quality rather than quantity 7 never work harder than your students using these principles jackson shows you how to become a master teacher no matter where you are in your practice each chapter provides a detailed explanation of one of the mastery principles the steps you need to take to apply them to your own practice and suggestions for how you can begin practicing the principle in your classroom right away jackson offers stories from her own teaching practice as well as from other teachers she has helped to show you how each principle works teaching is a hard job but using jackson s principles will help you and your students reap the rich rewards of that hard work

packed with advice vignettes and case studies as well as useful tips and checklists for improving teaching the second edition of developing your teaching is the ideal toolkit to support the development of teaching practice providing a blend of ideas interactive review points and case study examples from university teachers this accessible handbook for professional practice provides ideas on a range of topics including learning from student feedback and peer review students as consumers and their expectations building effective partnerships with students and colleagues developing a teaching portfolio choosing effective teaching practices the challenges and benefits of securing an initial teacher qualification a must read for all those new to teaching in higher education as well as more experienced lecturers looking to refresh and advance the quality of their teaching this fully updated new edition is the ideal toolkit to support the development of teaching practice
